A Message from the Chair

On behalf of all our members and staff, it is my pleasure to welcome you to the City of Melbourne Bowling Club.

The Club has a very long, rich history. In 2016 we celebrated our 150th birthday, making us one of the oldest sporting clubs in the country.

Yet we have our eyes fixed firmly on the future. Our state-of-the-art building is home to a friendly, welcoming community right in the heart of Melbourne. We are a culturally safe environment in which the diverse and unique identities and experiences of Aboriginal children and young people are respected and valued.

I am confident that you will feel welcome here and enjoy both the fellowship of our members and our stunning facilities.

We offer a wide range of formal and informal social activities and - of course - lawn bowls in a variety of social and competition formats.

Whether you want to catch up with friends - perhaps a BBQ with family, a Trivia Night in the function room, a social game or to play competitive lawn bowls - you can do all that here.

Club practice times are late afternoons on Mondays and Thursdays, with free coaching available.

Our Club is run on the passion and enthusiasm of our members.

If you have any ideas, suggestions, or skills that you would like to contribute, please do not hesitate to discuss with me or any of the other office bearers.

I look forward to seeing you at the club soon.

Rose Ruban
Chair, CoMBC

Club Profile

Club History

The City of Melbourne Bowls Club Inc was founded as the West Melbourne Bowling Club on 18 August 1866 at the Sabloniere Hotel, which stood on the corner of A'Beckett and Queen Streets, Melbourne until 1972. The bowling green was adjacent to the hotel. Our inaugural president was Sir Charles McMahon, a former Police Commissioner and Speaker of the Lower House in the Victorian Parliament.

The club moved to the Flagstaff Gardens in 1879. In 1880 we were a foundation club when the Victorian Bowling Association (VBA) was formed. The inaugural president of the VBA was Cr Samuel Amess, one of our bowlers and a former club president, who was also a Lord Mayor of Melbourne. George W Sims, the first VBA singles champion, was a member of the Club (and won a total of 19 championships in his time) and we have produced many state players since our inception.

The club changed its name to City Bowling Club in 1904 and to CoMBC in 1964.

In January 1994 fire destroyed a large part of our clubhouse, decimating our facilities, organisation and records. However, with the tireless support and dedication of club members, the club regrouped and continued to operate and prosper, even with limited facilities.

With thanks to City of Melbourne Council and dedicated Council staff, moving into our new clubhouse in May 2009 marked the completion of a journey which began on that day in 1994.

More information can be found in the publication On Flagstaff Hill: A History of the City of Melbourne Bowls Club, which is available for purchase over the bar.
